Become a Member!

Many of us want to help, but with all the other commitments to family, friends, and our jobs, it is hard to find the time. The Animal Resource Foundation Membership Program allows you an opportunity to make a meaningful difference in the lives of homeless dogs, cats, puppies and kittens.

Animal Resource Foundation, Inc. (ARF), located on the Maryland eastern shore in Chester, is a 501(c)3 non-profit corporation dedicated to saving and improving the lives of animals throughout the mid-Atlantic region by rescuing as many as we can from over-crowded and overwhelmed animal shelters. ARF does not receive any federal or local government financial support. Our income is derived entirely from adoption fees and tax deductible donations from generous people such as you.

We believe no animal deserves to be abandoned, neglected, abused or arbitrarily killed but they should be given the chance to find love and care in a forever home.

Through the creation of public awareness opportunities, outreach programs, providing a nurturing environment for rehabilitation and a spay/neuter program, ARF is able to make adoption the practical alternative.

YES, I want to help!

Become an ARF Volunteer or Foster Care Home!

- I would be interested in becoming an ARF Volunteer

We *love* our volunteers – the backbone of our organization! ARF has many volunteer opportunities, 7 days per week, and we will be happy to discuss which one would work best for you.

- Please send information on becoming an ARF Foster Care Home

You don't need a big house and it doesn't take a lot of money to become a foster guardian for homeless animals. All you need is a little time and a lot of love to give to needy animals until they find loving homes of their own. And best of all, fostering is both fun and rewarding!
